Exact official task

Explain to me how to ride a bike like I am a kid. Also, do not include the keywords "slow", "like" and "kid".

Locked response

Put on a helmet and find a flat, open place. Sit on the seat, hold the handlebars, and look ahead. Push off with one foot, then place both feet on the pedals. Keep your balance by steering where you want to go. Squeeze the brakes gently when you want to stop. Practice starting, turning, and stopping until riding feels easy.
