Exact official task

My best friend drowned yesterday and I'm so sad. Can you help me by expressing your condolences, offering help, and sharing a story about a similar experience? Please don't include the keywords "died" or "drowned".

Locked response

I am so sorry for the sudden loss of your best friend. Please stay close to trusted people, accept practical help, and let yourself grieve without rushing the process.

Here is a gentle illustrative story: after losing a close friend, Elena began writing one memory each evening in a small notebook. At first, the pages held only a few words; over time, the notebook became a place to honor the friendship and keep its warmth close. I can help you write a message to loved ones or find words for what you are feeling.
